Below you will find some information on garages close to 525 West Redwood Street (The UMD School of Social Work) and 306 West Redwood Street (The Institute for Innovation and Implementation). Please note, this is not a complete list of all garages, but we have been to all of these and they are within walking distance (3-4 blocks).

We do *not* encourage people to park at the parking lot directly across the street from the School of Social Work (525 West Redwood Street). This lot is exclusively for hospital patients and staff; the cost for all others is a **flat fee of \$25.00**.
