

# Intensive Care Coordination Using Wraparound

## Quick Reference Snapshot:

### Care Coordination Rates and Billing Structure

# Care Coordination Rates and Billing Structure

STATE/COUNTY	RATES AND BILLING STRUCTURE
<b>ESTABLISHED PROGRAMS</b>	
Louisiana	\$1,035.00/child per month (administrative payment to intensive care coordination/wraparound provider); \$137.00/child per month (administrative payment to MCO)
Massachusetts	\$23.74/15 minutes (master's level care coordinator); \$18.88/15 minutes (bachelor's level care coordinator)
Michigan	\$87.51/15 minutes (1915(b) waiver rate); \$412.68 /meeting, up to 4 per month (1915(c) waiver rate)
Nebraska	\$840.70/child per month
New Jersey	\$550.00/child per month (bundled rate for care management for youth with both moderate and high needs)
Cuyahoga County, OH	\$22.89/child per day
Dane County, WI	\$1,670.67/child per month
Milwaukee County, WI	\$32.00/day for Wraparound Milwaukee (based on 8 families); \$22.00/day for REACH (based on 12 families)
<b>EVOLVING PROGRAMS</b>	
Georgia	\$721.05/child per month
Maryland	\$14,048.62/child annually (approximately \$1,170.71 per month for the CME); Rates for ICC under pending 1915(i) SPA are in development
Clermont County, OH	N/A (SAMHSA grant funds and local contributions currently pay for salaries and benefits)
Oklahoma	\$16.38/15 minutes (fee-for-service Medicaid rate)
Pennsylvania	\$12,000/episode of care (approximately; paid from MCO administrative budgets)
<b>EMERGING PROGRAMS</b>	
El Paso County, CO	\$40.66/15 minutes up to 4.25 hours; \$476.06 for 4.25 to 8 hours
Illinois (Child Welfare)	TBD - Tiered based on placement of child at time of enrollment. Specific rate information is not yet available.
Illinois (Medicaid)	\$415.00/child per month
Rhode Island	\$85.00/day (Medicaid rate for wraparound services provided through Family Care Community Partnerships). RI Medicaid provided initial approval for billing for wraparound services as of 7/1/2014. The wraparound rate and methodology for claiming are still in development.
Wyoming	\$18.50/hour (in pending TCM SPA); CME currently receives a per member per month rate from the state and pays a per member per month rate to vendors.

## Quick Reference Snapshot: Supervisor to Care Coordinator Ratios

# Supervisor to Care Coordinator Ratios

STATE/COUNTY	SUPERVISOR TO CARE COORDINATOR RATIOS
<b>ESTABLISHED PROGRAMS</b>	
Louisiana	1:8
Massachusetts	1:8 average
Michigan	No standardized ratio
Nebraska	1:7
New Jersey	1:6
Cuyahoga County, OH	1:12
Dane County, WI	1:8
Milwaukee County, WI	1:6
<b>EVOLVING PROGRAMS</b>	
Georgia	1:6
Maryland	1:6 to 1:8 for CME; 1:8 for pending 1915(i) SPA
Clermont County, OH	1:5
Oklahoma	1:5
Pennsylvania	1:8
<b>EMERGING PROGRAMS</b>	
El Paso County, CO	1:2 (pilot)
Illinois (Child Welfare)	1:8
Illinois (Medicaid)	1:8
Rhode Island	1:6
Wyoming	1:10

Information is current as of July 2014

# Intensive Care Coordination Using Wraparound Quick Reference Snapshot: Care Coordinator to Child and Family Ratios

# Care Coordinator to Child and Family Ratios

STATE/COUNTY	CARE COORDINATOR TO CHILD AND FAMILY RATIOS
<b>ESTABLISHED PROGRAMS</b>	
Louisiana	1:10
Massachusetts	1:10 average
Michigan	1:10 (if a facilitator has families transitioning out, can be up to 1:12)
Nebraska	1:10
New Jersey	1:14 (optimal blended caseload under new unified system – moderate and high-needs youth)
Cuyahoga County, OH	1:12
Dane County, WI	1:10
Milwaukee County, WI	1:8 (if newly hired, 1:4 for first two months)
<b>EVOLVING PROGRAMS</b>	
Georgia	1:10
Maryland	1:9 to 1:11 for CME; 1:8 for pending 1915 (i) SPA
Clermont County, OH	1:15
Oklahoma	1:8 to 1:10
Pennsylvania	1:10 to 1:12
<b>EMERGING PROGRAMS</b>	
El Paso County, CO	1:12
Illinois (Child Welfare)	1:10
Illinois (Medicaid)	1:10, 1:20, 1:40 (based on tiered system of intensity level)
Rhode Island	1:15
Wyoming	1:10
