

**Who might the Coordinated System of Care (CSoC) be right for?**

A child/youth eligible for CSoC will meet the following criteria:

1. Twenty-one (21) years old or under
2. Lives, or for those in placement will be living, in a CSoC region which includes the following parishes: Ascension, Avoyelles, Bienville, Bossier, Caddo, Caldwell, Catahoula, Claiborne, Concordia, DeSoto, Grant, East Baton Rouge (includes Zachary, City of Baker and Central Community school systems), East Carroll, East Feliciana, Franklin, Iberville, Jackson, Jefferson, LaSalle, Lincoln, Madison, Morehouse, Natchitoches, Orleans, Ouachita (includes City of Monroe school system), Plaquemines, Pointe Coupee, Rapides, Red River, Richland, Sabine, St. Bernard, Tensas, Union, Vernon, Webster, West Baton Rouge, West Carroll, West Feliciana, and Winn.
3. Has a DSM Axis I diagnosis or is exhibiting behaviors indicating that a diagnosis may exist (Magellan will refer for a comprehensive assessment in order to make an eligibility determination).
4. Meets clinical eligibility for CSoC as determined by the Child, Adolescent Needs and Strengths (CANS) scale which assesses the following areas:
  - A. Behavioral/Emotional Diagnosis or Behaviors, e.g. impulsiveness, anxiety, depression, history of trauma, oppositional behavior, etc.
  - B. Risky Behaviors, e.g. self-harming behaviors, aggression, fire setting, threats of harm to others, etc.
  - C. Difficulty functioning in various settings including family, home, school or community.
  - D. Caregiver need for assistance with supervision, understanding behavioral health needs, linking to appropriate supports and services, their own behavioral health needs, etc.
5. Currently in an out of home placement (OOH), or at imminent risk of OOH placement in these settings:
 

• Psychiatric hospitals	• Foster care
• Psychiatric Residential Treatment Facilities	• Therapeutic Foster Care
• Therapeutic Group Home	• Developmental disabilities facilities
• Non-medical Group Home	• Alternative schools
• Addiction facilities	• Secure care facilities
• Detention	• Homeless (as identified by the Department of Education)
6. Generally involved with multiple state agencies.
7. Identified family or adult resource that is or will be responsible for the care of the child/youth that is willing to engage in wraparound.
8. Eligible for Medicaid or deemed eligible for Medicaid based on clinical need. (Certain children/youth not typically eligible for Medicaid may be eligible based on clinical need.)

**Other Considerations:**

- If a youth is in the custody of the Office of Juvenile Justice (OJJ), referral to CSoC will be made when the anticipated discharge is known and is within 90 days (for youth in a non-secure residential setting) or 30 days (for youth in a secure care center).
- If a child is in the custody of the Department of Children & Family Services (DCFS), referral to CSoC will be made when transition date from a restrictive environment is known and is within 60 days.
- A child/youth currently receiving Multi-Systemic Therapy (MST) or Functional Family Therapy (FFT) cannot concurrently be enrolled in CSoC.
- If a child screens eligible for CSoC based on the CAN and does not live in a CSoC region, then the family will be contacted by a Magellan Resiliency Care Manager who will provide intensive individualized care management.

To determine if a child/youth may be appropriate for the Coordinated System of Care (CSoC) or for more information, anyone may contact Magellan at 1-800-424-4399.
